Welcome to **MORE.**

Our employer spotlight this week goes out to ALDI, one of our Fast Track Partners. Their Campus Connection Program give student organizations a chance to grow professionally and be considered for scholarship opportunities.

Are you part of a student organization at Purdue? Check out ALDI'S Campus Connection opportunities for career development, sponsorships and more!

For more information, contact [staff@thereisnergroupp.com](mailto:staff@thereisnergroupp.com)

Pre-Professional Advising are for students who are interested in careers in healthcare, law, vet school, physical therapy and more. You can schedule a time to meet with Pre-Professional Advisors, and sign up for the PPA Monthly newsletter. For more information, check out [Pre-Professional Advising website.](#)

## Upcoming Events

We have another career fair coming up! This time it is a joint fair hosted by Purdue Office of Professional Practice and College of Pharmacy with different colleges such as Agriculture, Engineering, Science and Health & Human Sciences.
